ANNOUNCEMENT

The Sixth Annual North Central Regional Shorthorn Show and Sale is a continued effort on the part of the breeders to bring together for show and sale the finest of the good Shorthorns produced in this territory. That this offering contains more real top cattle than have ever been offered before is no idle boast and will be proven unquestionably when the curtain falls down on this event. The consignors have truly dug deep into their herds to present a really top consignment representative of the breed and worthy of its high reputation among livestock men everywhere. This offering brings to you the best blood lines, type and quality.

It is no idle boast of Shorthorn enthusiasts that the red, white and roans are found on more farms in this territory than any other breed. Their lasting popularity is due to the fact that they have stood the test under any and all conditions. They are the breed for the farmer, feeder and rancher and are recognized as such.

That the Shorthorns are on the march is amply proved in looking over the nations stock shows where the Shorthorn is more than holding his own—in fact he is backing the other breeds to the wall as proved by the fact that 3 International Grand Champion Steers in a row have all been Shorthorns and all were awarded this high honor under 3 separate judges. There has been an ever increasing demand for quality Shorthorns everywhere. There is not enough supply in the Shorthorn feeders to even begin to fill the demand as livestock feeders everywhere know that the most profitable steer in the feedlot is the one that makes the most economical as well as the most rapid gain and in these respects the Shorthorn is at the top of the livestock parade.

Regardless of whether you be rancher, farmer, feeder or breeder you can not afford to miss this sale. There will be grand foundation females, herd improving sires as well as range bulls offered. They carry as good breeding as can be found, their type is what every breeder is striving to achieve and are offered by as fine a group of consignors as are found everywhere. You are cordially invited to attend this event—Show and Banquet on Wednesday, November 2, with the Sale the following day, Thursday, November 3rd beginning at 1 p. m.

SALES COMMITTEE

N. T. FINDAHL, Waterville, Minnesota; Secretary
Minnesota Shorthorn Breeders Association

EMERY SUMPTION, Frederick, South Dakota; Sumption Brothers

GILBERT L. ELKEN, JR., Eldak Farms, Mayville, North Dakota

J. A. SCHOONOVER, Jamestown, Sales Manager
Secretary, Chamber of Commerce

The sales committee, on behalf of the consignors, wishes to express their appreciation to the Jamestown Chamber of Commerce, Mayor Olson and especially John Schoonover whose efforts make this show and sale possible, also to those who graciously donated the grand Shorthorn beef for the banquet.

TERMS AND CONDITIONS

Classes of cattle will be judged beginning at 2 p. m. on Tuesday, November 2nd. The Sale will start at 1 p. m., Wednesday, November 3rd.

TERMS: All sales are cash or according to arrangements made between the buyer and seller. Settlement must be made with the clerk immediately after the sale. All cattle will be at the buyer's risk as soon as sold but assistance will be given in loading, in compliance with buyer's instructions.

REGISTRATION CERTIFICATES: A registration certificate and transfer certificate will be furnished with each animal, and an application for registry will be furnished with each calf sold at foot or in dam. Breeding dates in the catalog are furnished by the consignor.

GUARANTEE: Health certificates will be furnished with each animal. All cattle are sold subject to a sixty day retest for tuberculosis. Bulls are guaranteed to breed if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when bought, and if after three months' trial he fails to breed, the animal will be replaced with one of equal value or the money will be refunded. Cows with calves at side are considered breeders and no further guarantee is given. All other cows and heifers over fifteen months at the time of sale are guaranteed to be breeders. Animals which are returned to breeders because they fail to meet the guarantee statement will be at the buyer's cost of transportation. It is understood the guarantee of the cattle consigned to this sale constitute a contract between the consignor and the purchaser of each lot. Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale. The sales committee does not assume any responsibilities in these matters.

MAIL BIDS: Mail bids may be sent to Mervin Aegeter of the Shorthorn World; Jack Halsey, auctioneer; John Schoonover, sales manager, Clem Larson of the American Shorthorn Breeder's Ass'n., or to members of the sales committee. Bids sent will be handled confidentially and conservatively in the interests of the bidder, if unable to attend in person. Any bids should be sent to the above parties in care of the Gladstone Hotel, Jamestown, N. Dak., sale headquarters.

SHOW: Classes will be judged beginning at 2 p. m., on Tuesday, November 2nd. The judge will be Homer Clausen of Clausen Bros., Spencer, Iowa.

BANQUET: The annual banquet will be held on Tuesday night beginning at 6:30 p. m. when the consignors and all interested persons are invited to attend. Shorthorn beef, graciously donated will be served. This event has always been one of the highlights of the Show and Sale and your presence is earnestly requested. An interesting program will follow the banquet.

CLERK OF SALE: National Bank of Jamestown and the James River National Bank.

AUCTIONEER: Col. Jack Halsey, Des Moines, Iowa, and assisted in the ring by representatives of The Shorthorn World and the American Shorthorn Breeders Association.

SALES MANAGER: John Schoonover, Secretary, Chamber of Commerce, Jamestown, North Dakota.

Homer Clausen of Clausen Bros., Spencer, Iowa, Judge

One of the highlights of the Regional Show and Sale at Jamestown is the keen interest displayed by consignors and spectators alike in the show which precedes the sale.

STANMORE KING—Is the best bull ever produced at Stanmore Farms. He is a dark roan son of Scottish Pride, Reserve Champion Shorthorn bull at 1946 Winter Show. This bull stood 2nd in a class of 15 at the 1949 Winter Show, and right next to the Reserve Champion of the show. His mother, Supreme Missie 26th, is a consistent producer of good calves. He's a bull that will speak for himself.

Count of Eldak—A dark red son of Drynie Royal Oak and out of the same dam as the Reserve Champion female in this sale last year, that sold to Kieth Donlap for \$1,000. Drynie Royal Oak is doing a grand job for us in producing both bulls and females. While this bull is not highly fitted, we believe he shows promise of doing somebody a lot of good.

THE FEMALE OFFERING

All breeders of Shorthorn cattle will be interested in the outstanding females that are being offered by the breeders. Some of the breed's greatest females have been secured in other Jamestown Regional Shorthorn Sales and this year will again provide the particular buyer with untold opportunities. They are of the best breeding, sired by as good bulls as can be found and the bred females are bred to some of the top young herd bulls in America. While we must apologize for the lack of cuts we feel confident that the sale will reveal numerous outstanding individuals. If you are looking for the very best come to Jamestown on the 2nd and 3rd of November. The heifer pictured is typical of the kind produced by breeders in this locality.

Reserve champion female at the 1948 Winter Show held at Valley City, North Dakota, Eldak Duchess of Gloster 3d by Drynie Royal Oak, first prize junior yearling at 1947 International. Typical of the kind produced in North Dakota.

Eldak Violet 2D (Twin)—A red twin sister to Eldak Violet 3rd, also in this sale. While not as growthy a heifer as her sister, she shows great promise of being a producer. But best of all she carries the service of the young son of Drynie Royal Oak and out of the top cow in our herd, Bapton Augusta 23rd. We are returning this dark red son of Drynie Royal Oak for our own use. We named him Eldak Future Fortune, as we truly believe he is the bull that will make history for Eldak in the near future.

Eldak Violet 3rd (Twins)—A good daughter of Bapton Royal Leader, the bull that needs no further introduction, as his daughters have repeatedly topped the sales where ever they have been entered. This heifer is thick, well balanced and carries herself well. She should make someone a real brood cow. Mated Sept. 25th to Millhills Fantasy.

Ranvill's Elizabeth 10th is a good husky heifer, pleasing head and a good collar. She is out of one of our best cows. She has always raised good calves. Her Sire Prairie-way Scottie by Maxwalton Controll, should make a good brood cow.
